### Remarks

Move-in ready Farmington Hills home featuring extensive updates and thoughtful improvements throughout. The kitchen and all three bathrooms were fully updated in 2020-2021, offering modern finishes and everyday functionality buyers love. Since 2022, the home has continued to receive meaningful upgrades that enhance comfort, efficiency, and livability. Interior improvements include new flooring in the upstairs bedroom and sitting room, downstairs bedroom, and new carpeting on the stairs. Multiple rooms were freshly painted, including bedrooms and the kitchen, creating a bright, updated feel. The home features updated lighting in the kitchen, dining area, and butler's pantry. Major mechanical updates include new baseboard heating in the upstairs sitting room, bedroom, and bathroom, along with a new upstairs A/C unit (2023) and new downstairs A/C unit (2025). New appliances include a washing machine (2024) and refrigerator (2025). The basement offers added peace of mind and functionality with waterproof paint, an additional sump pump, two new block windows, and a newly added ceiling in the partially finished area, making it ideal for storage, hobbies, or additional living space. Exterior and structural enhancements include a new front door, new front walkway.
